Sarens Proudly Performing Lifts for the 2025 Paralympic Stadium in Uzbekistan

Uzbekistan will be hosting the Para-Asian Youth Games in Tashkent in 2025, and preparations are already underway. To welcome athletes and spectators, the city is building a new paralympic stadium for the upcoming competitions. Tashkent is anticipating an enthusiastic welcome for about 1000 paralympic athletes and their fans in the lead-up to the games, as well as the increased tourism, business, and economic activity associated with the event.
